RE: Rule 42 for Sailing World Championships

Dear John,

In accordance with RRS 87, the Nacra 17 Class permits the following class rule change to be included in the Hempel SWC Sailing Instructions. This is in line with the sailors preference based on our open forum in Gdynia, Poland at our European Championships.

Add new Class Rule C.1.1(b):

RRS 42.3 is amended by adding the following:

- (j) Except on a beat to windward, when foiling is possible (sailing with the hull clear of the water for more than one boat length due to the effect of the hydrofoils), the boat's crew may pump the sails an unlimited number of times in order to initiate foiling.

Sincerely,
